Subject: Application for the post of lecturer

Sir/Madam,

With reference to the online circular posted on Job Circular app, I am highly willing to apply for the position of lecturer in English at 'Y' University.

As you will see from my enclosed CV I am currently a lecturer at 'Z' University, instructing first-through fourth-year students. I have received commendation from faculty peers and students for my dedication to teaching excellence. Moreover, I have BA (Honors) and MA degrees from the prestigious Department of English, 'X' University.

I am committed to pursuing a career in tertiary level teaching. I am particularly interested in your post as it would enable me to gain experience of working at one of the most reputed private universities in Dhaka. In addition to my skills and experience as a lecturer, I would bring to the post a proven ability to counsel and guide students according to their requirements.

I look forward to hearing from you.

Yours sincerely,

(Signature and name of the candidate)
