

Guideline on writing the first draft of Term Paper

ENG 7102, Section 36 (Summer 2025)

Course Instructor: Hridvika Paul (HP)

1. Basics

*Font type & size: Times New Roman, 12 (for the title, use size 14, for the rest of the paper including the headings of each section size will be 12) *Normal text (bold the title of the paper & the headings of each section only) *Double space between lines (the gap between paragraphs: 0.5) *Justified alignment

* Page no. given from the cover page (to be inserted in footer)

2. Parts of term paper:

- a) Cover page
- b) Index (write which section is in which page
For example,
Introduction 2
Rationale of the topic 3)
- c) Introduction
- d) Rationale of the topic
- e) Research questions and Methodology
- f) Findings from articles (you have to direct quote/ paraphrase authors' opinions from the articles, follow in-text citation rules to acknowledge the authors following APA 7 rule)
- g) Findings from student-based opinion
- h) Reflection of the authors (here you have to write your very own thoughts based on the findings from students and articles sections)
- i) Conclusion (add limitations and recommendations with the concluding statement here)
- j) References (follow APA 7 rule, the video I uploaded on GC. In this section you have to cite the articles following the APA 7 rule. For example, check the references section written in your chosen journal article. You have to refer to the journal and/or newspaper articles chosen by you for this paper)
- k) Appendix (paste the google drive link in which you have kept your interview video/audio and questionnaire)

3. Word limit: 1000-1200 for both the pair/group of 3.

4. For “Findings from student-based opinion” section:

- * choose minimum 5 and maximum 10 participants for questionnaire (for both MCQs and descriptive questions)
- * for interview : choose minimum 1 and maximum 3 participants

5. Regarding “Findings from student-based opinion” section: Keep 2-4 questions under one theme and write the collected information accordingly.

For example:

- a) How does facebook impact your business?
- b) Do you think FB is effective?

These two questions are to be discussed under the theme “Impact of Facebook on business” In your paper, write your findings on this theme, do not analyze the questions individually, otherwise your word limit will exceed The given number of words.

6. For groups of 3 people:

Each member has to write a minimum 350 words. After writing each section the word limit MUST be mentioned.

For groups of 2 people:

Each member has to write a minimum 550 words. After writing each section the word limit MUST be mentioned.

7. Mention which section is written by whom (write the name of the contributing member beside the sections)

8. Upload the soft copy under the “Assignment on Term Paper” segment created by me on GC by 17/08/2025, 11:59 pm
